

**R**hyming Words Poem

**T**itle: *Abandoned Home*

1. A Heart with an abandoned home  
Beats for its beloved hope to come,

2. Wanting death to heal its unwanted fall  
Something to break the painfull wall,

3. Nothing fearsome to pop  
But to being stop,

4. A Heart with its crumbled light  
Waiting for the time of night,

5. Entangling its frozen chain  
With an ounce of pain,

6. A Heart with a trapped fear  
Secretly wishing to hear,

7. A Heart with an abandoned home  
Beats for its beloved hope to come,
