

Competition Poem 1

Title: "Beloved Death"

1. One step away from death

Come to me my beloved death,

2. My drowning existence has been longing

For your Ethereal touch,

3. Isn't it Romantic? How this bleeding heart
has been singing your melodious charm,

4. Within the thunder of my wild thoughts
Your reflection holds the ecstasy of my
Sadness,

5. Searching so hard for our union

Waiting for you to interpret the language
of my imperfection,

6. I wonder if you think of me when the
Border of heaven opens,

7. I wonder, in how many stories i have been
a part of you that i may have forgotten,

8. I wonder, how many times a day I pass
through you

9. As if i have been your centuries old lover,
You have made me so hard i beg for
Softness,

10. One step away from death
Come to me my beloved death,

11. Heal me,
Heal me,

12. Heal my abandoned soul
And take me away with you death,
